To: Mayor and City Council
From: Phillip Hightower, Public Works Director
Re: Discussion, Consideration and Possible Action on Allowing the Residence at 155 Kolten Drive to Connect to City Sewer Service

The residence at 155 Kolten Drive would like to connect to the City of Durant's sewer main. This residence is currently on the Aerobic System. Ordinance O-2022-06 was passed in February 2022 stating the City shall not extend water or wastewater services outside the City limits without the approval of City Council. City staff has determined there is enough capacity on this sewer line for additional taps. There are several houses on Kolten Drive that are connected to the City Sewer. I have attached a map showing where the sewer line is located. I have attached Ordinance O-2022-06.

Council Information / Action Requested
