CALL TO ORDER

ROLL CALL

ORDER OF BUSINESS

1. Consent Items

To help streamline meetings and allow the focus to be on other items requiring strategic thought, the "Consent Items" portion of the agenda groups the routine, procedural, and self-explanatory non-controversial items together. These items are voted on in a single motion (one vote). However, any Council member requesting further information on a specific item thus removes it from the "Consent Items" section for individual attention and separate vote.

- a. Consider Approval of Regular Meeting Minutes of August 12, 2025

2. Consider Items Removed from Consent

3. Information Items

4. Administration

- a. Consider Approval of Wall Engineering to Move Forward With Plans To Relocate a Waterline and Sewer Line On West Arkansas Street For An Upcoming ODOT Project At A Cost of \$306,300.00

Re: Consider Approval of Wall Engineering to Move Forward With Plans To Relocate a Waterline and Sewer Line On West Arkansas Street For An Upcoming ODOT Project At A Cost of \$306,300.00

The ODOT Project will be working on the Bridge on Highway 69/75 that spans West Main Street and West Arkansas Street. In order for this project to be completed, we have a waterline and sewer line that will have to be relocated. The water line and sewer line is on the north side of West Arkansas. ODOT is scheduled to start this project in 2027 but are asking for plans to be submitted as soon as possible. I have attached the estimated cost of \$306,300.00
