Office of Community Development

Date: 12-12-25
To: Board of Adjustments
Case: PC-2025-03
From: Paul Cottrell, Community Development.
Re: Variance for Frontage Required

Request: Consider a request from the property owner for a frontage variance at the property located at 101 E Main Street.

Current Zoning: C-3

Future Land Use: Commercial.

Surrounding Properties:

Direction	Zoning	Use
North	I-1	Cement Plant
West	I-2	Railroad Property (Empty Lot)
South	I-2	Vacant Lot
East	I-2	Vacant Lot

Applicant: Jordy Maltos

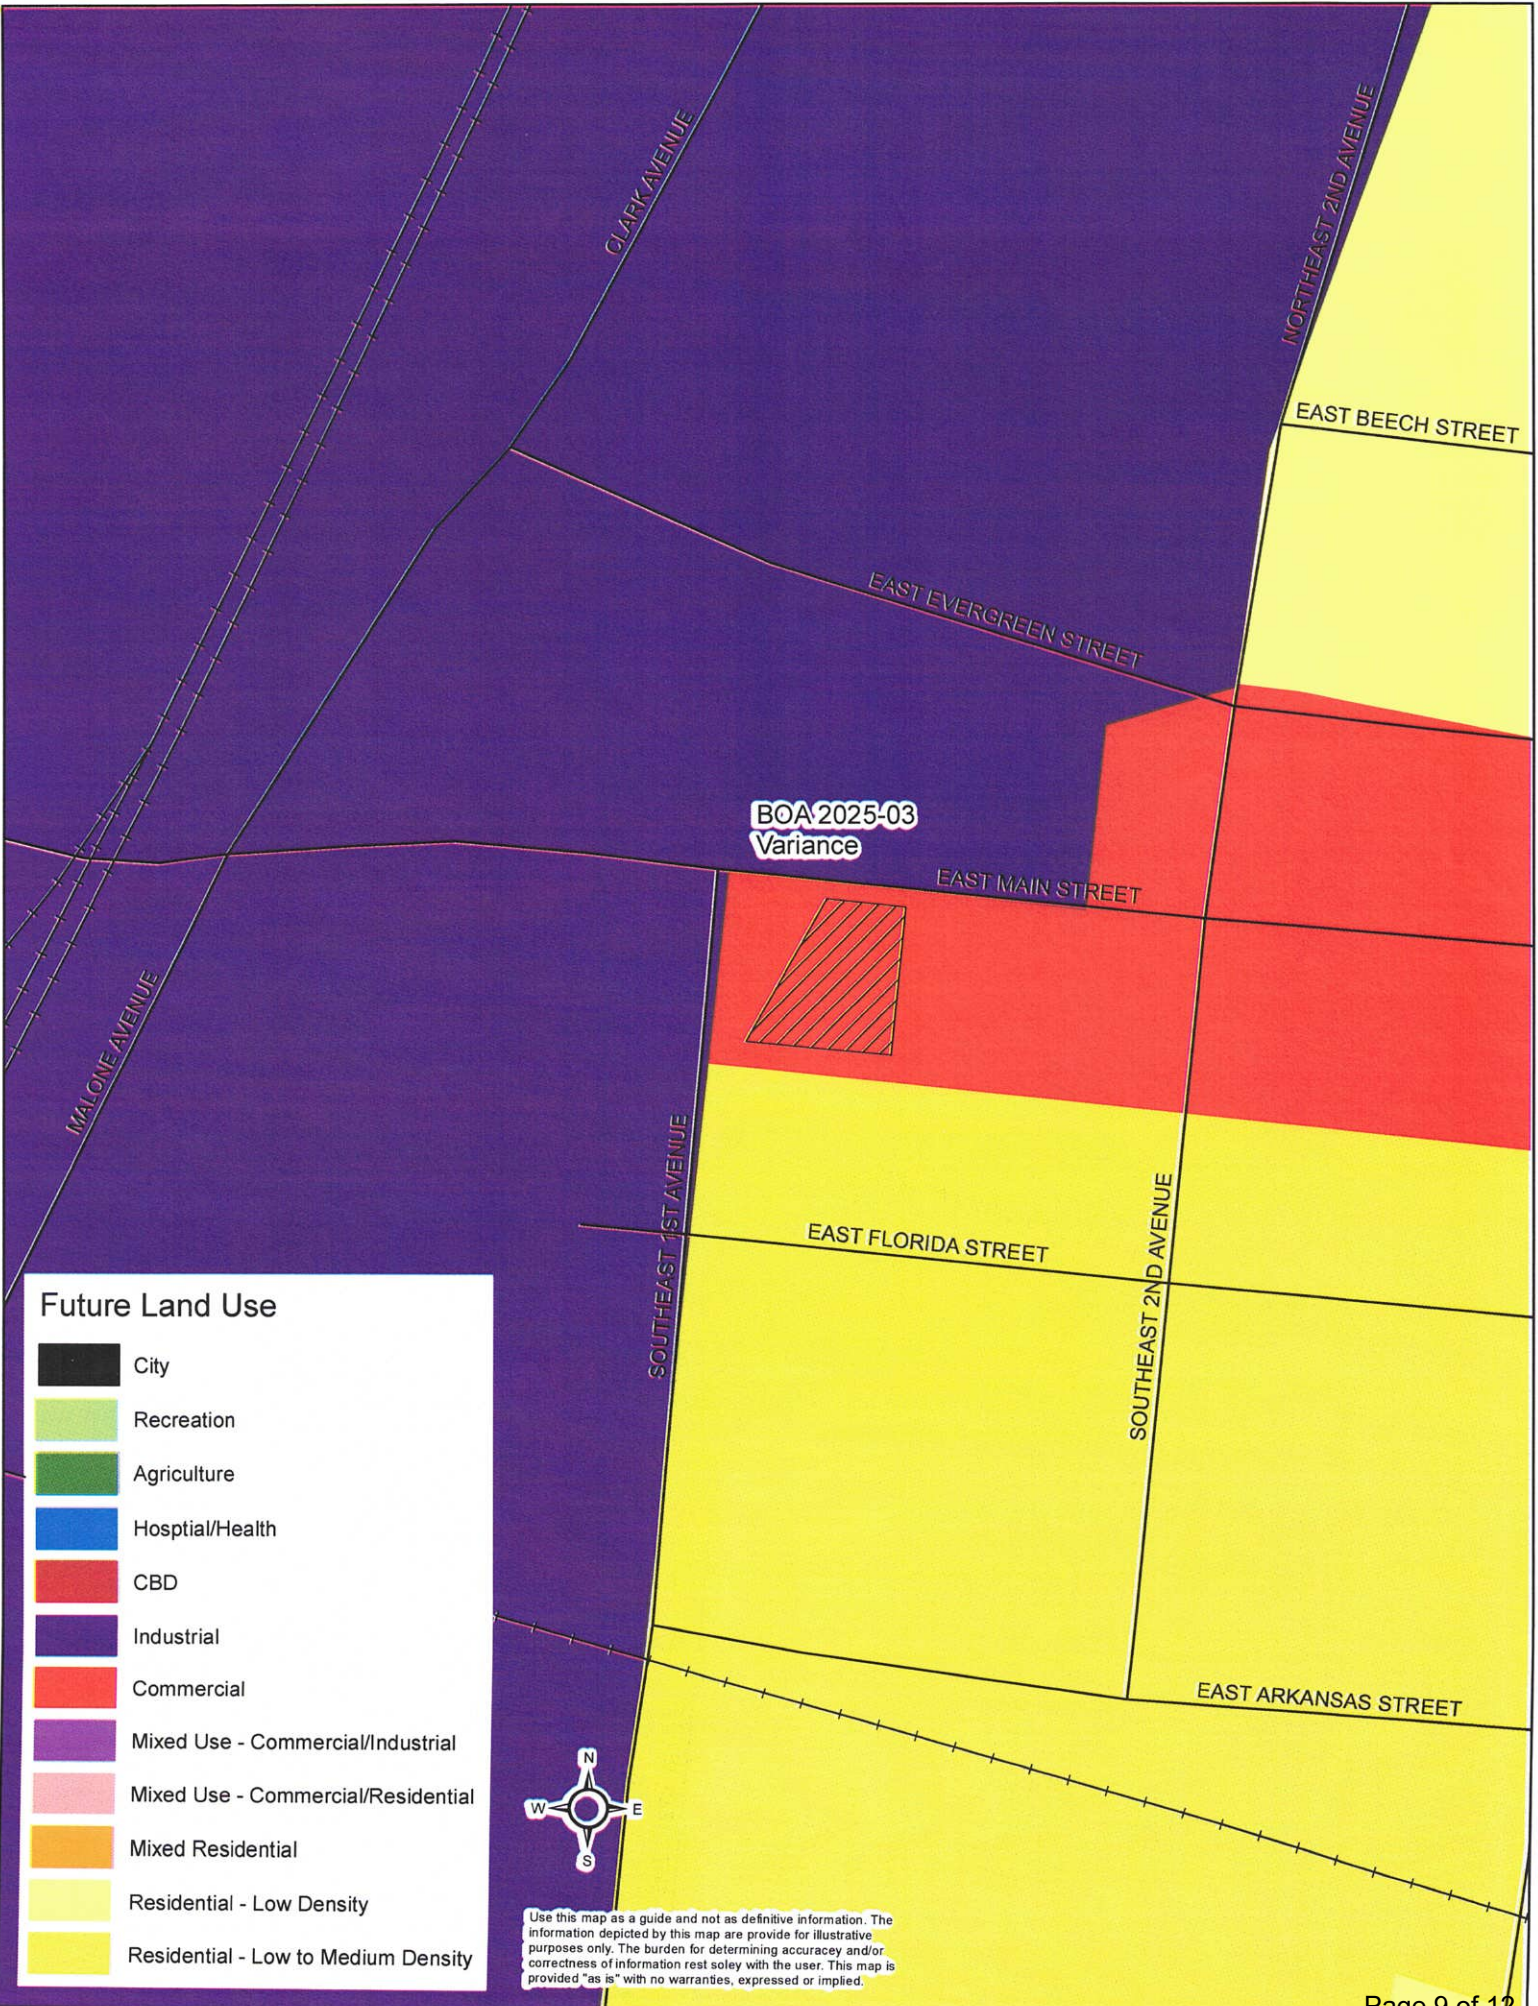

Consideration: Applicant approached staff with the desire to open a small eatery. The frontage required for this zoning is 80' and applicants only have 65 feet on the existing lot.

Staff has met with the Applicant to provide guidance regarding applicable ordinances and regulations and remain available to support the Applicant throughout this process. Notifications have been made to the surrounding property owners and at the time of this report staff have not received phone calls or letters of support or protest regarding this rezone request.

Analysis: Lot is approximately 10,822 Sq Feet with 66.195 Feet of frontage. The zoning requires 8000 Sq. Feet lots and 80 feet of frontage.

Staff Recommendation: Staff recommend approval of the variance. Staff agrees a Commercial Zoning does allow for better usage of the structure.

Required Action: Hold a public hearing and approve or deny the variance request for property located at 101 E Main Street. Any specific conditions imposed by the Commission should be read into any approval motion.

THE CITY OF DURANT

Office of Community Development

The governing board of the city, known as the Board of Adjustment, has the authority to make decisions on administrative matters and hold quasi-judicial hearings. Their primary role is to carefully examine the facts and evidence presented by the individual or organization seeking a variance, which is an exception to the established zoning regulations. The board has the power to grant a variance if they determine that strictly enforcing the zoning ordinance would create an unnecessary hardship for the property owner or prevent them from using their land in a way that is constitutionally permissible. The board will thoroughly investigate the details of the case, asking probing questions to ascertain whether the criteria for granting a variance have been met. Their goal is to make a fair and impartial assessment based on the specific circumstances. Be prepared to answer the questions below.

Board of Adjustments Questions

- 1) The application of the ordinance to the particular piece of property would create an unnecessary hardship;
- 2) Such conditions are peculiar to the particular piece of property involved;
- 3) Relief, if granted, would not cause substantial detriment to the public good or impair the purposes and intent of the ordinance or the comprehensive plan; and
- 4) The variance, if granted, would be the minimum necessary to alleviate the unnecessary hardship.
